

Wash lotion face & body No.12

Manufacturer: Bioturm

Order ID: BT124

Price: 7.95 €

Product description:

For daily soap free cleaning of face and body.

Mild vegetable substances clean the skin without soap. The special lacto-intensive active complex has a normalising effect and cares for the skin at the same time. The pH-neutral of 5,5 preserves the skin's acid mantle and has a considerably positive and regulating effect also in case of oily facial skin (puberty).

The body & facial wash is available in a dispenser of 300 ml, ideal to use at the washbasin or in the shower. The bottle with 200 ml is practical for sports and travelling.
