Product description:

Protective care for your lips.

Dry and chapped lips are painful. Protect your lips with our Lip care PROTECTION No.55! The anhydrous balm covers sensitive lips and cares for them.

The high content of precious vegetable oils like organic almond oil and apricot kernel oil provide for suppleness and intensive protection. Highly concentrated organic calendula extract soothes and cares.

The Lip care PROTECTION No.55 protects against wind and weather throughout the year and provides for long-lasting suppleness and brightness in case of alipoid lips.

Tips from Gabi Köberl:

Ideal to protect your lips during winter sports like skiing or hiking in the snow.

Is it already too late? In case of cracked lips we recommend our Lip care REPAIR No.54 - to give back your brilliant smile.

Apply several times per day. In a practical tube.
