

Intimate wash foam cranberry No.90

Manufacturer: Bioturm

Order ID: BT428

Price: 13.95 €

Product description:

For daily cleaning of outer genital area.

Mild and gentle cleaning with the power of cranberry. Combined with the lacto-intensive active complex and its high percentage of lactic acid, the natural pH value and the protective function of the female genital flora is supported. Provides for a fresh and clean feeling.

Besides an especially high concentration of the lacto-intensive active complex and thus a high lactic acid content which preserves the natural intimate flora, the intimate wash foam cranberry No.90 contains also organic cranberry juice. This american berry is known for its positive effect on health - especially on the urinary tract - and is normally taken orally as juice or powder. Many women appreciate the positive effect when suffering from cystitis or as prevention.

Tips from Gabi Köberl:

Pump 2 to 3 times, clean with the foam and rinse with water. Very economical foam formulation. Variations in colour are possible due to natural extracts.
