

Moistener foam for toilet tissue No 89

Manufacturer: Bioturm

Order ID: BT626

Price: 11.95 €

Product description:

The ecological alternative – simply converts conventional toilet tissue into moist toilet tissue!

The innovative and economical foam simply converts conventional toilet tissue into moist toilet tissue. Naturally ecological - protects environment and sewage treatment plants in contrary to wet toilet tissue made of fleece. The special lacto-intensive active complex combined with organic extracts of hamamelis and camomile soothes the skin.

For a gentle and thorough cleansing of the anal area with simultaneous care, also suitable in case of skin problems in this area (e. g. haemorrhoids). Not recommended for baby care.

Ingredients:

Aqua, Whey*, Glycerin, Pentylene Glycol**, Alcohol, Sodium Cocoyl Glutamate, Betaine, Hamamelis Virginiana Bark/Leaf Extract*, Chamomilla Officinalis Flower Extract*, Lactic Acid, Coco-Glucoside, Glyceryl Oleate

* made from controlled organic cultivation | ** from plant origin

Controlled organic cosmetics: Free of synthetic fragrances and synthetic dyes, PEG, paraffin oil

Tips from Gabi Köberl:

Comfortable and easy to use, dosable as desired. Apply the foam to multiply folded toilet tissue and clean the anal area. After using, the toilet paper can be flushed as usually without any environmental damage.
