Product description:

Treats thick skin and calluses on hands and feet

With this cream, you can get rid of dead skin and calluses on the hands, feet, knees or elbows. Avocado oil and shea butter leave the skin feeling supple and soft.

Compliant of certified natural cosmetics.

Ingredients:

Aqua, Persea Gratissima Oil, Glyceryl Stearate, Myristyl Lactate, Glycerin, Cetearyl Alcohol, Melaleuca Alternifolia Leaf Oil*, Cera Alba, Salicylic Acid, Butyrospermum Parkii Butter*, Tocopherol, Zinc Oxide, Menthol, Parfum

*Raw materials certified organic; Contains: Limonene, Linalool

Tips from Gabi Köberl:

When using the peeling cream, dead skin particles can be removed gently. Regular use over a period of approximately three weeks leads to a reduction of the calluses.
