Product description:

Intensive care for mature & demanding skin!

100% active ingredients - 0% water

Natural Serum Deluxe by CMD Natural Cosmetics provides intensive care for demanding and mature skin. Without the addition of water, the effect of the concentrated hyaluronic acid, natural plant extracts and finest silk can unfold completely. Regular use improves the elasticity of the skin, the skin functions are supported and small wrinkles are filled. This active serum works against skin aging and combines moisturising, smoothing and firming properties. The serum is suitable for all skin types, because it's not greasy or sticky.

Intensive treatment for a radiant, fresh and lively skin.
