Product description:

With pomegranate and sea buckthorn

Maximum protection against sunlight for soft baby and children's skin. Eco cosmetics sun cream for babies and children offers a broadband protection against UVA and UVB. The soft cream is absorbed quickly, does not whiten and supplies instant protection once applied. Even water babies are ideally protected, thanks to the waterproof formula. Organic pomegranate, olive and macadamia oil provide moisturizing care. Sea buckthorn and Oenothera Biennis extract from certified organic plants protect extra sensitive skin.
