

Sunmilk sensitive SPF 30

Manufacturer: ECO-Cosmetics

Order ID: EC24000

Price: 17.99 €

Product description:

Mineral sun protection with pomegranate* and raspberry

For body and face

The newly developed sun protection consisting of titanium dioxide combined with untreated natural zinc oxide reflect the harmful rays of the sun (UVA + UVB)

A composition of plant oils care for the skin:

Raspberry seed oil* helps the skin to store moisture. It is even said to offer a natural UV protection.

Pomegranate seed oil* improves skin elasticity. It nourishes the skin and prevents premature ageing.

Vegetable vitamin E has an antioxidant effect and protects cells. It binds oxygen atoms of free radicals and thereby slows down oxidation processes on the skin.

Karanja oil* has proven excellent skin care properties. The high concentration of fatty acids helps prevent impurities. For skin that remains beautiful and smooth with a refreshing and stimulating effect.

The sun milk can be applied easily without leaving any visible residue.

Alcohol and other aggressive ingredients are deliberately avoided in order to achieve a good skin feeling even for sensitive combination skin.

*from organic farming, content: 75 ml, tube

Ingredients:
