

## Sun Lotion “No Biocide” 30

Manufacturer: ECO-Cosmetics

Order ID: EC50101

Price: 24.90 €

### Product description:

For you eco cosmetics has developed a complete range of sun care products that protect your skin from the sun and its dehydrating effects.

The pure natural mineral light protection filter of titanium oxide combined with magnesium and glimmer (mica) reflects the harmful rays of the sun. The fragrance of this sun lotion contains, among other things, essential citrus and eucalyptus oils.

Biting insects no longer recognize natural human body scent. As with all products which use the aid of a fragrance to protect against insect bites the efficiency and length of protection depend on several factors, such as the applied amount, personal odour, humidity, wind or temperature. Accordingly it is a very high, although not 100%, skin barrier function which is given.

This normally lasts for 1.5 to 2 hours, after which the product should be re-applied as the essential oils evaporate over time.

The improved product method enables a consistency and application that will surprise you.

The sun lotion can be applied very easily without leaving any visible residue.

Valuable ingredients such as olive oil and pomegranate extract care for the skin and protect against moisture loss.

Dry skin is also cared for and protected.

## Ingredients:

Aqua, Titanium Dioxide, Caprylic/ Capric Triglyceride, Polyglyceryl-2 Dipolyhydroxystearate, Polyglyceryl-3 Diisostearate, Glycine Soja Oil\*, Butyrospermum Parkii Butter\*, Glycerin, Olea Europaea Fruit Oil\*, Olea Europaea Leaf Extract\* Punica Granatum Extract\* Pongamia Glabra Seed Oil\* Glyceryl Oleate Tricaprylin, Canola Oil, Cocos Nucifera Oil\* Simmondsia Chinensis Oil\* Lycium Barbarum Fruit Extract\* Rosa Moschata Oil\* Hippophae Rhamnoides Oil\* Oenothera Biennis Oil\*, Oryza Sativa Bran Oil, Macadamia Ternifolia Oil, Tocopherol, Bisabolol, Lecithin, Glycyrrhiza Glabra Extract, Mica, Magnesium Sulfate, Stearic Acid, Tocopheryl Acetate, Alcohol, Alumina (Corundum), Dipotassium Glycyrrhizate, Parfum, Limonene, Linalool, Citronellol, Citral, Geraniol, Eugenol, Cinnamal, Coumarin
