

Cleansing Milk

Manufacturer: ECO-Cosmetics

Order ID: EC28174

Price: 7.90 €

Product description:

With organic green tea and organic myrtle

For effective cleansing: the ECO cleansing milk. Plant oils and surfactants from renewable raw materials gently cleanse the skin. The mild emulsion is suitable for all skin types. The ECO cleansing milk also gently removes Make-up and UV filters. Extracts of organic green tea and organic myrtle strengthen the skin, are astringent and reduce irritation. Organic grape seed oil, organic olive oil and organic jojoba oil reduce feelings of tension and moisture loss. Plant glycerin and hyaluronic acid make the skin appear smoother. The natural elasticity of the skin is preserved. A composition of natural, essential oils give the ECO cleansing milk its subtle, slightly fresh scent. Especially recommended for normal and dry skin.

Ingredients:

Water hydroalcoholic of vine leaf, Plant sugar surfactant, Soya bean oil*, Triglyceride, Green tea extract*, Jojoba oil*, Plant emulsifier, Plant glycerin, Olive oil *, Plant emulsifier, Plant Surfactant, Alcohol, Vine leaf extract*, Myrtle leaf extract*, Grape seed oil*, Hyaluronic acid, Saccharide, Blend of natural, essential oils, Sodium citrate, Citric acid, Plant vitamin E, Limonene (Component of essential oil), Linalool (Component of essential oil), Citronellol, (Component of essential oil)

* organically grown

Tips from Gabi Köberl:

Apply cleansing milk to damp skin, apply to face, neck and décolleté in circular movements. Leave on for a short time and rinse off with lukewarm water.
