

Intensive Facial Cream

Manufacturer: ECO-Cosmetics

Order ID: EC17827

Price: 11.90 €

Product description:

With organic argan oil and organic sea buckthorn

The ECO Intensive Facial Cream is the right choice for dry skin. High-quality plant oils such as organic argan oil, organic sea buckthorn oil, organic jojoba oil and organic shea butter care for the skin and provide it with essential nutrients. Organic sea buckthorn is rich in vitamin C, cares for the skin and is antioxidant. Organic argan oil contains a high proportion of alpha-tocopherol (natural vitamin E) in addition to valuable oleic acids and linoleic acid. It promotes skin elasticity, skin moisture and supports regeneration. The skin appears smooth and supple. Even small dryness lines are reduced. The ECO Intensive Face Cream can be used as day or night care, as a cream mask or as basic care under make-up. Suitable for every skin type. A composition of natural, essential oils give the ECO Intensive Facial Cream its subtle, slightly fresh scent.
