

Revital Hand Cream

Manufacturer: ECO-Cosmetics

Order ID: EC72310

Price: 9.90 €

Product description:

The hand cream contains precious OPC (Oligomeric proanthocyanidins) obtained from organic grapes, hyaluronic acid and various oils derived from grapeseeds, hemp seeds, pomegranate seeds, jojoba, olives as well as shea butter. It is ideal for dry, damaged hands and supports the elasticity of the skin. The formula supplies the hands with essential nutrients and binds moisture while coenzyme Q10 provides the cells with energy. Furthermore, OPC protects the skin against damaged caused by free radicals.
