Product description:

The gentle nourishing formula prevents the sensitive skin of babies and children from dryness while bathing. Pure, certified organic Seabuckthorn leaf extract soothes sensitive skin and supports the underdeveloped skin function. The delicate skin remains noticeably soft and supple. Valuable, organic pomegranate extracts provide a lot of moisture to the delicate skin and keeps it from drying out. The gentle foam ensures fun in the tub. Natural essential oils provide a mild scent.

100% of the total ingredients from natural origin, 99.4% come from plant-based ingredients and 16% of the total ingredients come from organic farming.
