Product description:

Luvos Fibre Plus combines Healing Earth with natural turmeric in a unique, innovative complex. Turmeric is well-known in Indian Ayurveda dietetics. With its high turmeric content, it supports healthy digestion. The compound also contains traditionally tried and tested chia, psyllium, linseed and inulin, extracted from blue Agave.

Ingredients:

Powdered Organic turmeric (40.5%), organic hypromellose (plant-based capsule casings), organic powdered seed mixture (psyllium, linseed, chia: 27%), organic inulin (from Agave)(9%), Healing Earth (4.5%).
