Order ID: LU10040  
Price: 15.79 €

### Product description:

Luvos Bitter Compound Plus combines Healing Earth with natural bitter compounds from artichokes, peppermint and dandelions. The digestive mineral calcium which occurs in organic calcareous algae, promotes the normal functioning of the digestive enzymes and supports healthy digestion.

### Ingredients:

Powdered organic calcareous algae (61.3%), organic hypromellose (plant-based capsule casings), powdered organic dandelion root (7%), powdered organic peppermint (7%), powdered organic artichoke (7%), Healing Earth (3.4%).

- without preservatives, colors and flavors according to law
- contains no animal products or gelatines
- contains no lactose, gluten or sugar
- vegan
- made in Germany

### Tips from Gabi Köberl:

One capsule a day is sufficient.

An unbalanced, fatty diet can put strain on the digestive system. Excessive eating and drinking pleasure quickly lead to excessive demands on the digestive system. This can lead to bloating, stomach pressure or unwanted inertia.
