

Healing Earth ultrafine Powder 750g

Manufacturer: Luvos
Order ID: LU31420
Price: 16.79 €

Product description:

Luvos Healing Earth ultrafine Powder in the large 750 g pack. As a powder for oral use. The over-the-counter remedy is traditionally used as a mineral gastrointestinal remedy. Made from naturally pure loess without any other additives.

Ingredients:

Healing clay made from naturally pure loess without any other additives.

Tips from Gabi Köberl:

The powder is stirred into half a glass of water, mineral water or tea and drunk in small sips. It should be taken in the morning on an empty stomach and in the evening before going to bed and, if necessary, half an hour before or after meals.
