Product description:

For the nourishment of dry and flaky areas of skin.

A high-quality skin balm with avocado oil, organic sea buckthorn oil and organic jojoba oil. It is particularly suitable for very dry or flaky skin areas, such as knees and elbows. Even with abrasions, it promotes the regeneration of the skin. This balm contains 100% vegetable oils and waxes and has no emulsifiers or water. Therefore, it is very well-suited for children as protection during winter.
