

Sandorini Sea Buckthorn Pulp Oil

Manufacturer: CMD
Order ID: 012030
Price: 9.15 €

Product description:

Care for sensitive, dry and chapped skin!

The sea buckthorn pulp oil is a valuable source of carotenoids (provitamin A and vitamin E). The oil protects the skin from harmful environmental influences, leaving behind a velvety feeling. The orange-red colour is quickly absorbed by the skin and ensures a radiant complexion. The pulp oil is recommended especially for dry, cracked or sensitive skin.

Ingredients:

Hippophae Rhamnoides Fruit Oil certified organic

Tips from Gabi Köberl:

The oil is highly valued due to its wide range of effective ingredients as a food supplement.
