Product description:

Aromex Aroma Lamp Cleaner is a 2-phase special cleaner for aroma lamps made of glazed ceramic, glass and stainless steel. The recipe is based on renewable raw materials.

Ingredients:

Water, orange terpenes, polyglyceryl-10 laurate, citric acid monohydrate.

Tips from Gabi Köberl:

Shake well before use. Give one teaspoon (2.5 ml) Aromex into the bowl, add water and allow to act. Wash with a brush or sponge and water.
