### Product description:

For rough and irritated skin

Farfalla Coconut Oil organic in the big 500 ml size. The skin-oil for all ages. Particularly brittle, irritated or rough skin benefits from the cool, calming and stabilizing properties of organic coconut fat. Since the organic coconut oil has not been refined and deodorised, it has the typical coconut scent. It becomes firm at room temperature and must then be warmed briefly in a water bath. It mixes well with organic jojoba oil.

### Ingredients:

Cocos Nucifera Oil

### Tips from Gabi Köberl:
