Price: 52.90 €

Product description:

Anti-ageing facial moisturiser to strengthen skin structure to support demanding or sensitive skin. Reduces hyperpigmentation.

Anti-ageing, regenerating facial moisturiser to promote an even and radiant complexion.

Pure aloe vera juice and hyaluronic acid intensively hydrate and bind moisture, leaving the skin gently smoothed. Antioxidant-rich aloe vera blossoms and cell-protective oils from evening primrose and apricot provide protection against the harmful effects of free radicals.

Active ingredients from high-quality root extracts strengthen the skin structure and reduce hyperpigmentation. Provides demanding or sensitive skin with a smoothed and radiant complexion.
