Price:	57.90 €

Product description:

This fine anti-ageing serum activates cell renewal and hydrates the deeper layers of the skin. Pure aloe vera juice, raspberry seed oil and hyaluronic acid actively provide and bind moisture in the skin and have a gentle firming effect. Antioxidant-rich and cell-protective active ingredients from aloe vera blossoms and tiger nuts reduce free radicals that damage the skin. Active ingredients from high-quality root extracts correct pigment irregularities and prevent their formation in advance. Gives demanding or sensitive skin new energy and an even complexion.
