

Moisturising Day Cream

Manufacturer: Cattier
Order ID: C911061
Price: 19.99 €

Product description:

The perfume-free secret botanique cream moisturises dry and sensitive skin. Organic sunflower oil, in combination with organic Jojoba oil, provides the skin with nutrients and makes it soft and supple. Thanks to its skin-identical structure, the intensive moisturising, natural active ingredient complex DMS, supplies the skin with a nutritious and regenerative active ingredient cocktail through a depot effect. Organic rose water stimulates and soothes the skin.

The face care series by Cattier, specially dedicated to the beauty of the women, is the result of progress in the organic cosmetics. It combines high-performance formulations and innovative bio active ingredients and allows as a natural and effective daily skin care. Thus, the cleansing and moisturising care of Cattier guarantees efficient care and an optimally supplied with moisture, soft and radiant skin.
