Product description:

Nectar Éterne Anti-Aging Care

The Nectar Éterne Anti-Aging Care by Cattier is specially formulated for dry skin and to counteract the first signs of skin aging. Its innovative formula contains an anti-aging complex with clay that acts as a protective barrier against blue light (computer displays and screens), free radicals and harmful environmental influences. At the same time, the skin is supplied with essential nutrients and minerals. The first signs of skin aging are reduced in a natural way.
