Order ID: C911066
Price: 7.99 €

Product description:

Mild cleansing and remineralising care for oily and combination skin. Moisturises, clarifies and nourishes the skin with Green Clay and Mint. The use of a day cream that is matched to your skin type, is recommended as a supplement.

The Laboratoire Cattier specialised in the cosmetic use of clay for more than 40 years and has developed three masks and a peeling based on this method.

The clay was the first known natural remedy known to mankind. Its therapeutic effects have been used for centuries. The healing clay is convincing due to its two main features, thanks to the ability to absorb toxins and impurities and dispose of minerals to compensate the skin.

Ingredients:

Aqua, Kaolin, Illite, Montmorillonite, Glycerin, Helianthus Annuus Hybrid Oil*, Calcite, Cetearyl Alcohol, Cetearyl Glucoside, Xanthan Gum, Benzyl Alcohol, Lactic Acid, Mentha Piperita Oil*, Rosmarinus Officinalis Leaf Oil*, Tocopherol, Aloe Barbadensis Leaf Juice Powder*.

Tips from Gabi Köberl:

Shake and knead the tube generously before using. Apply to face and neck, thereby avoiding the eyes and lips. Let the mask sit for about 5-10 minutes, but do not allow to dry on the skin. Rinse off with warm water. The application of a moisturiser is recommended as a supplement.
