

Deodorant Spray Brume Active

Manufacturer: Cattier
Order ID: C912777
Price: 8.99 €

Product description:

A feminine deodorant without aluminium salts for a daily feeling of freshness and well-being.

Brume Active deodorant spray has been specially created for a gentle, fresh feeling of well-being for the whole day. Formulated without aluminium salts, it protects and respects the skin. A natural active principal, which is both anti-bacteria and purifying prevents body odour without blocking the natural perspiration process. Aloe vera and organic witch hazel floral water calm and soften all skin types, even the most sensitive. It has an oaky perfume with undertones of patchouli and cardamom which envelops the skin in a discreetly perfumed veil.

Ingredients:

Aqua, Alcohol**, Hamamelis Virginiana Water*, Glycerin, Candida Bombicola, Glucose, Methyl Rapeseedate Ferment, Aloe Barbadensis Leaf Extract*, Polyglyceryl-10 Laurate, Benzyl Alcohol, Sodium Benzoate, Potassium Sorbate, Parfum, Lactic Acid, Citronellol, Eugenol, Limonene

Tips from Gabi Köberl:

Apply Brume Active deodorant spray like a classic deodorant by spraying with one pressure over the all armpit. Every day use, as often as wished. Should be protected from the sun, and must not be exposed to a temperature higher than 50°C. Do not pierce or burn even after use. Keep out of the reach of children. Do not use for any other purpose than that for which the product is intended. Shake well before use. Do not spray towards eyes and mucous membranes.
