Product description:

Gentle cleansing for dry to sensitive skin.

SURGRAS KARITE Gentle Vegetal Soap has been specially created for the gentle cleansing of dry and sensitive skins. Its ultra-gentle formula combines shea Butter, naturally rich in active moisturising and softening ingredients, with the sweet almond to soothe and restore the skin's suppleness and softness. Its light, delicate lather leaves a pleasant bergamote and ylang-ylang scent on the skin. Recommended for the sensitive epidermis of children and babies. Preserves skin's natural balance.

Ingredients:

Organic shea butter, Organic sweet almond oil, White clay, Glycerine (vegetale origin)

Tips from Gabi Köberl:

Lather up the Gentle Vegetal Soap and apply to damp face and body, then rinse in clear water. Can be used morning and night.
