Product description:

Natural styling for an individual look!

The gel formulation with organic extracts of guarana and green tea gives strong hold for a natural and individual styling. Dries quickly without sticking or weighing down the hair. Easy to comb out. Even in case of high air moisture and high temperatures, styling and a natural hair feeling are preserved.

As a tribute to the different world's cultures, our hair products are decorated with a variety of designs of different ethnic origin. For the new styling products, we have chosen a polychrome painted wall mosaic from Thailand.
