Product description:

Natural styling mousse for strong hold!

Ideal styling mousse for a natural style with strong hold - brings force and volume without sticky feeling or weighing down the hair. Additionally the hair is protected against environmental influences and mechanical stress, e. g. by combing, hair straighteners or other styling methods. Plant proteins improve the hair structure and repair from inside with long-lasting effect. With precious organic extracts from mallow blossom and green tea.

As a tribute to the different world's cultures, our hair products are decorated with a variety of designs of different ethnic origin. For the new styling products, we have chosen a polychrome painted wall mosaic from Thailand.

For hairstyling. Strong hold for all hair types.
