Product description:

Anatomically shaped liners to fit the curves of your body

Natural and organic cotton panty liners for sensitive skin. Curved liners designed to fit the natural shape of your body. Daily panty liners that are soft, absorbent and shaped for extraordinary everyday comfort.

We are recommended by health professionals to help reduce and prevent intimate irritation. The synthetic materials, plastic, super absorbents and perfume found in most pads can all contribute to an unbalanced, irritated, and unhappy vagina. We don't want that for you. That's why we only use simple, effective materials in our pads.

Ingredients:

Certified organic cotton, ecologically certified cellulose pulp, plant starch, non-toxic glue
