

Ultra Super Period Pads

Manufacturer: Natracare

Order ID: N3080

Price: 3.89 €

Product description:

Super absorbency for medium or heavier menstrual flows.

Natural slim fitting pads with wings to help you manage your period. Ultra absorbent and thin pads with an absorbency suitable for medium or lighter menstrual flow.

Ultra super pads come individually wrapped so are easily carried around when you are out and about. Natracare pads are entirely plastic free and home compostable so can biodegrade naturally back into the Earth after use.

Gynaecologist recommended and suitable for sensitive skin or those with allergies. Natracare helps reduce your exposure to synthetic materials and ingredients, including plastic, perfume and dyes often found in conventional period products.

Ingredients:

Certified organic cotton, ecologically certified cellulose pulp, plant starch, non-toxic glue

Tips from Gabi Köberl:

Die Ultra Extra Damenbinde Super ist sie für mittlere bis stärkere Blutungen geeignet.
