

Hair mask The Power of Amla

Manufacturer: Khadi
Order ID: Kh27616
Price: 7.90 €

Product description:

The “power” switch for your hair: strengthening hair and scalp mask – fortifies the hair roots and supports hair growth for incredible volume.

The Ayurvedic Hair Mask The Power of Amla is the ultimate care product. It gives your hair volume and prevents graying in the Ayurvedic tradition and completely naturally. Hair growth is supported by nourishing and strengthening the hair roots. The hair lengths are provided with renewed energy, and even gray hairs benefit from the melanin production triggered by the power of the Amla berry. khadi’s hair masks are Ayurveda’s answer to regular hair care: natural, highly concentrated, and powerful.

The secret of the intensively strengthening effect of the The Power of Amla hair mask lies in the khadi trinity effect: 1. The individual effects of hand-picked Indian medicinal plants are combined into a whole thereby multiplying their powers. 2. The khadi hair masks are formulated according to ancient Ayurvedic recipes. 3. Using a traditional manufacturing process, the ingredients are gently ground into an extremely fine powder.

100% pure Amla: As you apply the highly concentrated mask, you can immediately feel how your scalp and hair are getting stronger, more voluminous, and naturally more shiny.

The Indian gooseberry Amla is considered the “fruit of eternal youth and beauty” in Ayurveda. This superfruit contains an extra serving of vitamin C, minerals, and antioxidants. This has an anti-aging effect on your hair. In India, Amla is traditionally used against hair loss and premature graying. Amla makes the roots of your hair stronger, fuller, and shinier.

The khadi The Power of Amla Hair Mask is part of the “Amazing” product line – combined they form the dream team of volume, strong roots, and shiny, younger looking hair.

Pamper your hair with the mask as an occasional treatment. If you are already using natural cosmetics regularly, it can also be used as an alternative to the ultra-cleansing Deep Charcoal Cleanse Hair Mask. You can use the The Power of Amla hair mask right before dying with khadi Natural Hair Colors. The restorative effect allows the color pigments to evenly coat your hair – for brilliant, lasting, and intensive color.

Ingredients:

Emblica Officinalis Fruit Powder*.

Tips from Gabi Köberl:

How to get the most out of the khadi The Power of Amla Hair Mask:

Put an amount appropriate for your hair length into a bowl and stir the fine powder with warm water until it has a fine texture. One pack should be enough for medium length hair.

Wash your hair and apply the mask onto your towel-dried hair with your hands.

Then wrap around a soft and dark towel around and let the The Power of Amla mask get to work for 10–30 minutes, depending on the desired effect. The magic begins!

Thoroughly rinse the The Power of Amla mask with lukewarm water. Done.
