Product description:

Brilliant bodyguard against split ends: hair mask for shine and protection.

The Ayurvedic Hair Mask Deep Shine Shikakai is the ultimate care product. It gives your hair shine and protects it against split ends and dry, dull hair in the Ayurvedic tradition and completely naturally. khadi's hair masks are Ayurveda's answer to regular hair care: natural, highly concentrated, and powerful.

The secret of the intensively nourishing effect of the Deep Shine Shikakai Hair Mask lies in the khadi trinity effect: 1. The individual effects of hand-picked Indian medicinal plants are combined into a whole thereby multiplying their powers. 2. The hair masks are formulated according to ancient Ayurvedic recipes. 3. Using a traditional manufacturing process, the ingredients are gently ground into an extremely fine powder.

100% pure Shikakai: As you apply the highly concentrated mask, you will immediately feel how your hair is nourished and protected.

The Shikakai shells are from the fruit of the Acacia Concinna plant and are considered a superfood in Ayurveda. In Hindi, Shikakai means "fruit for the hair" and stands for intensive moisture penetration, shine, and natural suppleness. Our khadi Deep Shine Shikakai mask holds the pure power of the Shikakai, protects your hair against dryness and thus effectively keeps split ends away for good. It gets better: The mask also acts as an antiseptic on the scalp and promotes hair growth.

Die khadi Deep Shine Shikakai Hair Mask is part of the "Shining" product line – combined they form the dream team of moisture, suppleness, fullness, and shine par excellence.

Pamper your hair with the mask as an occasional treatment. If you are already using natural cosmetics regularly, it can also be used as an alternative to the ultra-cleansing Deep Charcoal Cleanse Hair Mask. You can use the Deep Shine Shikakai Hair Mask before dying with khadi natural hair colors. The restorative effect allows the color pigments to evenly coat your hair – for brilliant, lasting, and intensive color.

Ingredients:

Acacia Concinna Fruit Powder*.

Tips from Gabi Köberl:

How to get the most out of the khadi Deep Shine Shikakai Hair Mask:

Put an amount appropriate for your hair length into a bowl and stir the fine powder with warm water until it has a fine texture. One pack should be enough for medium length hair.

Wash your hair and apply the mask onto your towel-dried hair with your hands.

Then wrap around a soft and dark towel and let the Deep Shine Shikakai Mask get to work for 10–30 minutes, depending on the desired effect. The magic begins!

Thoroughly rinse the Deep Shine Shikakai Mask with lukewarm water. Done.
