

Conditioner Rose Revolution

Manufacturer: Khadi
Order ID: Kh23080
Price: 15.90 €

Product description:

The khadi Rose Revolution Ayurvedic Repair Conditioner conjures up an airy, light hair feeling from dry, brittle hair - in a purely natural way - completely without silicones. Thanks to the plant oils used in khadi Rose Revolution Ayurvedic Repair Conditioner, a flowing membrane forms as soon as you massage it into damp hair so that it can be combed effortlessly right away.

At the same time, the betaine-inulin complex moisturizes and adds lightness. Your hair noticeably breathes during application and opens up to absorb the contained nutrients. After application, the Rose Revolution Conditioner leaves a delicate rosy scent that turns your hair care into a sensual experience.

With the Ayurveda-based Rose Revolution Repair Conditioner, khadi combines the power of Ayurveda with hair care at the cutting edge of research. The newly developed betaine-inulin complex works in combination with khadi Rose Elixir. An original Ayurvedic concentrate that is extracted from hand-picked Indian medicinal herbs such as Amla, Brahmi, Bhringaraj as well as precious rose blossoms according to ancient tradition. Its lasting nourishing properties are based on the Ayurvedic philosophy, which states that healthy hair is always related to the balance of inner and outer beauty.

The pH of the conditioner is 4.5 to smooth the hair surface and achieve a supple texture.

The khadi Rose Revolution Ayurvedic Repair Conditioner does not contain silicone, which only pretends to give the impression of healthy hair.

Ingredients:

Aqua, Cetearyl Alcohol, Glycerin**, Behenyl Alcohol, Coco-Caprylate/Caprates, Distearoylethyl Dimonium Chloride, Parfum, Betaine, Glyceryl Caprylate, Inulin*, Glyceryl Stearate Se, Caprylic/Capric Triglyceride, Guar Hydroxypropyltrimonium Chloride, Arginine, Lactic Acid, Sodium Benzoate, Potassium Sorbate, Lecithin*, Citric Acid, Rosa Damascena Flower Extract*, Aloe Barbadensis Leaf Extract*, Emblica Officinalis Fruit Extract*, Glycyrrhiza Glabra Root Extract*, Hibiscus Rosa-Sinensis Flower Extract*, Symplocos Racemosa Bark Extract, Vetiveria Zizanioides Extract*, Citronellol***, Acacia Concinna Fruit Extract*, Bacopa Monniera Leaf Extract*, Eclipta Prostrata Leaf Extract*, Sapindus Mukorossi Fruit Extract*, Trigonella Foenum-Graecum Seed Extract*, Linalool***, Geraniol***.

Tips from Gabi Köberl:

Khadi Rose Revolution Ayurvedic Repair Conditioner is suitable for your daily hair care as well as for use as a hair treatment. The contained plant oils form an enveloping layer and is easy to comb. At the same time, your hair absorbs the contained nutrients and is protected and repaired. The khadi Rose Revolution Conditioner leaves your hair with a light, pleasant rose scent.

Discover the extraordinary effect of khadi Rose Revolution Ayurvedic Repair Conditioner for your hair.

For your daily use:

Dosage: Take an appropriate amount of conditioner in the palm of your hand, adjusted to the length of your hair.

Massage: Gently massage the velvety and fragrant cream texture with your hands into the ends of your freshly washed and towel-dried hair.

Leave on: Leave the khadi Rose Revolution Ayurvedic Repair Conditioner on for 2-3 minutes to develop its nourishing carefully.

Rinse: Rinse the conditioner thoroughly with lukewarm water to remove residue.

For use as a hair treatment

For a restorative conditioning treatment, you can also mix the khadi Rose Revolution Repair Conditioner with a boost of your favorite khadi hair oil. To do this:

Try khadi Rose Repair or Color Care hair oil.

Gently apply this intensive mixture to your freshly washed, towel-dried hair.

Wrap a towel around your hair and leave this luxurious care for half an hour.

Rinse with lukewarm water.

Hair care in Ayurveda is more than just hygiene. It is a holistic ceremony in which the aura and physical body are cleansed of negative energies. Experience a harmonizing connection of body, mind, and spirit every time you wash your hair with Ayurvedic khadi elixir."
