### Tips from Gabi Köberl:

How to get the best result for healthy, beautiful hair with the Color Finish Conditioner:

1. Rinse your hair thoroughly with clear water after coloring - without shampoo!!! - without shampoo!

2. Apply a hazelnut-sized amount of ColorFinish Conditioner to the dyed area - including the lengths and ends - Amount may vary depending on the length of your hair.
3. Gently massage in the conditioner and leave in hair for 3 minutes - you can also go through the lengths with a wide-toothed comb.
4. Then rinse thoroughly with clear water to remove any powder residue.
5. Enjoy your easy-to-comb, shiny hair.
