

Footbath No.81

Manufacturer: Bioturm

Order ID: BT424

Price: 9.95 €

Product description:

Regenerating footbath providing for smooth feet!

Certified organic cosmetic with urea!

Stimulating freshness and regeneration for the feet. The pleasant footbath with urea and salicylic acid (from salix alba bark extract) softens callused skin and callosities. The lacto-intensive active complex cares for the skin and provides for regenerated and relaxed feet. Skin is gently cared for and supplied with moisture. Feet become supple and smooth, perfectly prepared for pedicure.

Ingredients:

Glycerin, Helianthus Annuus Hybrid Oil*, Lac*, Sucrose Palmitate, Urea, Salix Alba Bark Extract, Rosmarinus Officinalis Oil*, Verbena Officinalis Leaf Extract*, Tocopherol, Helianthus Annuus Seed Oil*, Parfum, Alcohol, Citral, Limonene

* from controlled organic cultivation
free of synthetic preservatives, dyes, PEG, paraffin oil

Tips from Gabi Köberl:

Mix two caps of footbath in two litres of warm water and soak your feet for about 10 minutes. Sufficient for approx. 15 applications. Not suitable for children under the age of three.
