Product description:

Softens calluses and cracks and intensively takes care of dry and rough feet!

Certified organic cosmetic with urea!

Intensive care for dry and coarse to chappy feet. Urea moisturises with long-lasting effect and softens callused skin, bruises and fissures. The feet become smoother, tensions and itchiness are reduced. The lacto-intensive active complex and precious organic shea butter additionally regenerate the skin. Selected vegetable oils and -extracts additionally provide for long-lasting suppleness.
