Product description:

This nurturing luxury shampoo for coloured hair contains organic heather which ensures a long-lasting and intensive shine. It leaves your hair wonderfully soft and easy to comb through, while Organic Danish milk proteins nourish and strengthen every straw of hair. Let the delicate scent of Danish summer flowers lift your spirits and raise your happiness levels. This luxury shampoo contains a complex of natural plant-derived ingredients that improve the hair condition and protect against colour fading and heat stress.

- Luxurious lather soothes dry, chemically processed hair
- Anti-colour fading
- Increases shine while smoothing
- Adds strength to the hair
- Re-establishes the moisture balance
