Price: 24.90 €

### Product description:

for demanding skin

The natural alternative: tremella fuciformis sporocarp extract boosts your skin's moisture levels. A blend of hyaluronic acid increases your skin's ability to hold moisture, while organic aloe vera softens, soothes and add even more moisture to the skin. Your skin feels smoother and more vital immediately after application. Treat yourself to this extra boost of hyaluronic acid and moisture for a smoother, more velvety complexion.
