

Sensitive Care Conditioner 10Ampoules

Manufacturer: Dr. Hauschka

Order ID: 14160

Price: 22.00 €

Product description:

advanced care for sensitive skin

This oil-free night time skin care product from Dr. Hauschka allows the skin to breathe freely and reminds it of its natural renewal processes. It normalises the skin's functions and stimulates its natural activities.

Formulation: Rhythmitised extracts of gemstones pearl, artemesia and malachite strengthens reddened, sensitive and couperose prone skin and supports the skin's renewal cycles.

Skin condition: For sensitive, inflamed skin.

Ingredients:

Water (Aqua), Fragrance (Parfum)*, Borago Officinalis Extract¹, Chamomilla Recutita (Matricaria) Extract¹, Rosa Canina Fruit Extract¹, Artemisia Abrotanum Flower/Leaf/Stem Extract¹, Hamamelis Virginiana (Witch Hazel) Leaf Extract¹, Veronica Officinalis Flower/Leaf/Stem Extract¹, Quercus Robur Bark Extract¹, Pearl Powder¹, Malachite¹, Sodium Chloride, Alcohol, Lactose.

¹ in rhythmitised dilution

*from natural essential oils

Tips from Gabi Köberl:

Skin cells are renewed every 28 days. Mirroring this same regenerative cycle, Sensitive Care Conditioner should be used for 28 days in place of a toner.

We recommend a treatment per year for each decade of your life, e.g. three times a year at the age of 30. After cleansing, evenly apply the contents of the ampoule to the face (including lips and eye area), neck, earlobes and décolleté. Press gently and evenly to skin until the solution has been fully absorbed.
