

Pomegranate Regenerating Facial Oil

Manufacturer: Tautropfen

Order ID: T6004

Price: 49.90 €

Product description:

This precious facial oil in a dewdrop shape was developed specifically for the needs of mature skin. It contains valuable plant oils from pomegranates, amaranth, rosehip seeds and almonds, for velvety smoothness, hydrated skin and cell renewal. In addition, thanks to the carefully selected ingredients such as coenzyme Q10 and Rosamox TM, the product has antioxidant properties and can thus prevent environmental aging.
