

Calming Facial Oil Mini

Manufacturer: Tautropfen

Order ID: T8189

Price: 13.90 €

Product description:

This calming facial oil is ideal for a demanding skin type. The light texture is quickly absorbed and does not clog the pores. It can help repair the skin and strengthen the skin barrier. It contains a variety of plant extracts, such as baobab, black currant and bisabolol.

- Suitable for demanding skin, but especially sensitive skin
- Bisabolol has anti-inflammatory properties and can help relieve irritation. It soothes and can help regenerate the skin.
- With its three active ingredients, DEFENSIL®-PLUS can help protect irritated skin and can be effective in preventing itchy and allergic inflammation.
- It absorbs quickly into the skin and does not leave an oily feeling

Tips from Gabi Köberl:

Skincare routine step - intensive care: after cleansing and toning (mornings and evenings), apply one to two drops gently to the face, neck and décolleté. Following this step, apply appropriate TAUTROPFEN moisturiser.
