

Dry & Light Incontinence Plus

Manufacturer: Natracare

Order ID: N3540

Price: 7.29 €

Product description:

The Dry & Light pads offer a double thick layer of absorbing cellulose encased in a soft, certified organic, 100% cotton cover that allows your skin to breathe and stay dry in comfort, especially for those with sensitive skin.

- Soft certified organic cotton cover
- Breathable natural materials
- Ecologically certified absorbent core
- Plant based leak-proof barrier
- No plastic
- No perfumes or dyes
- Totally chlorine free
- Biodegradable & compostable

Soft and discreet, Natracare Dry & Light pads are the first of their kind. Made from totally chlorine free, sustainable and natural biodegradable materials, and free from any petroleum-derived super absorbents or plastics that you'll find in many other products.

For your convenience, the pads are individually wrapped in a small purse pack which, like all Natracare products, is also biodegradable and compostable.

Ingredients:

Certified organic cotton, ecologically-certified cellulose pulp, corn starch, non-toxic glue.
