

Certified Organic Sunscreen Lotion SPF30

Manufacturer: Laboratoires de Biarritz

Order ID: AM7547416

Price: 22.50 €

Product description:

The outcome of an intense research programme, each organic sunscreen lotion produced by the Laboratoires de Biarritz provides a unique combination of a mineral sun filter and an active principle based on a complex of antioxidant molecules, Alga-gorria®.

Ultra fluid, easy to apply and completely natural, the SPF30 organic sunscreen lotion keeps skin protected and moisturised, right through the exposure period.

The SPF 30 index is suitable for use during outdoor activities for fair complexions that are sensitive to the sun, or for olive complexions in more extreme situations of sun exposure.

Ingredients:

Coconut Alkanes, Chamomilla Recutita Flower Water*, Caprylic/Capric Triglyceride, Aqua, Titanium Dioxide, Zinc Oxide, Sorbitan Oliviate, Coco-Caprylate/Caprates, Glycerin**, Polyglyceryl-2 Dipolyhydroxystearate, Parfum, Alumina, Polyglyceryl-3 Diisostearate, Stearic Acid, Glyceryl Caprylate, Magnesium Sulfate, Gelidium Sesquipedale Extract, Propanediol, Sodium Benzoate, Citric Acid, Polyglyceryl-4 Caprate, Potassium Sorbate, Helianthus Annuus Seed Oil, Tocopherol

Tips from Gabi Köberl:

Organic sunscreen lotion for face and body.

Especially adapted to outdoor athletic activities: seaside and altitude.

Suitable for oily or mixed skin types.

Making good use of the sun.
