

Certified Organic Protective Lip Balm SPF30

Manufacturer: Laboratoires de Biarritz

Order ID: AM7480721

Price: 11.90 €

Product description:

Particularly sensitive to external stress, the lips require special protection during outdoor activities.

The Water & Altitude Lip Balm from Laboratoires de Biarritz was designed to insure optimum, technical and long-lasting protection in extreme conditions, at sea level and above the clouds.

Resulting from a close collaboration between our Laboratory and our athletes, the Water and Altitude Lip Balm is the best combination of scientific expertise and practicality.

Ingredients:

Olus Oil, Cocos Nucifera Oil*, Glycerin**, Oleic/Linoleic/Linolenic Polyglycerides, Titanium Dioxide, Caprylic/Capric Triglyceride, C10-18 Triglycerides, Squalane, Acacia Decurrens/Jojoba/Sunflower Seed Wax/Polyglyceryl-3 Esters, Glyceryl Behenate, Glyceryl Stearate, Polyhydroxystearic Acid, Hydrogenated Castor Oil, Alumina, Stearic Acid, Potassium Olivoyl Pca, Maris Aqua, Tocopherol, Gelidium Sesquipedale Extract, Helianthus Annuus Seed Oil,

Tips from Gabi Köberl:

Apply before any sun exposure, especially in extreme conditions: seaside and high altitude

Reapply as often as necessary.

Follow sun exposure guidelines
