Manufacturer: Laboratoires de Biarritz
Order ID: AM11820
Price: 31.90 €

Product description:

Make no compromises on UV protection with the large 150 ml format of our SPF50+ Sunscreen Spray, ideal for the whole family. Thanks to its anti-UVA/B mineral screens, the spray provides very high natural protection. You can also count on its patented red seaweed extract, Alga-Gorria®, to neutralize free radicals preventing cellular damage and signs of skin aging caused by sunlight. Hypoallergenic, without preservatives, no added fragrance, it is suitable for adults and children ages 6 months and up. SPF 50+ is particularly suited for the fragile skin of children and those with sensitive skin for all types of sun exposure.
