Product description:

restores shine and controls frizz

Strengthening Hair Treatment revitalises and restores dry, damaged, permed or colour treated hair to a soft, silky condition. This intensive hair treatment renews and strengthens hair follicles while calming the scalp. Hair becomes healthy, shiny and more manageable.

Formulation: Neem leaf extract strengthens keratin, fortifying, softening and renewing damaged, brittle hair while chamomile extract soothes and balances the scalp. Rosemary essential oil enlivens, supporting healthy hair follicles.

Ingredients:

Arachis Hypogaea (Peanut) Oil, Melia Azadirachta Leaf Extract, Triticum Vulgare (Wheat) Germ Oil, Chamomilla Recutita (Matricaria) Flower Extract, Lecithin, Alcohol, Fragrance (Parfum)*, Limonene*, Linalool*.

*from natural essential oils

Tips from Gabi Köberl:

Massage through the hair and scalp with fingertips. Cover hair with a towel to keep warm and allow to penetrate the hair for 20 minutes. Shampoo and rinse.

For dry or brittle hair, distribute a small amount of Strengthening Hair Treatment to the hair tips and do not rinse.

Apply Strengthening Hair Treatment to protect hair before exposure to sun and saltwater, or before a sauna.

For regular care between treatments, we recommend the use of Revitalising Hair & Scalp Tonic and Nourishing Hair Conditioner.
