

Oil-whey bath sensitive 100ml No.116

Manufacturer: Bioturm
Order ID: BT15365
Price: 14.95 €

Product description:

Skin soothing care bath for stressed skin!

The unique combination of the special lacto-intensive active complex made of organic whey and high-quality organic sunflower oil in the new Oil-whey bath sensitive No.116 has a skin calming effect on the skin. Especially stressed and dry skin (e. g. in case of neurodermatitis and psoriasis) is regenerated – organic oils of almond and evening primrose additionally indulge the skin. Together with black currant seed oil, the skin is refattened during the bath – provides for a smooth skin without the feeling of tension.

This bath is also suitable for the sensitive skin of babies and children.

Ingredients:

Glycerin, Helianthus Annuus Hybrid Oil*, Lac / Whey*, Oenothera Biennis Oil*, Prunus Amygdalus Dulcis Oil*, Sucrose Laurate, Sucrose Palmitate, Ribes Nigrum Seed Oil, Tocopherol, Helianthus Annuus Seed Oil, Alcohol, Aqua

* from controlled organic cultivation
free of synthetic preservatives, dyes, PEG, paraffin oil
free of perfume

Tips from Gabi Köberl:

Pour the whole bag content into the bath and stir. In contrast to pure, film-forming oil baths, the high-quality vegetable oils and the special lacto-intensive active complex of organic whey mix with the entire bathing water to an extraordinary, milky caring bath.

Duration of the bath: 10 to 20 minutes

Water temperature: between 35 °C and 38 °C

Recommended use once or twice per week, preferably in the evening before going to bed.
