Price: 14.95 €

### Product description:

Plant power against heavy legs and bruises.

The light and easily absorbed creme lotion provides for stimulating freshness in case of heavy and tired legs, e. g. after long standing activity or in case of aching muscles. Especially suitable for people who are spending active time outdoors - e. g. jogging, hiking or pilgrimage or for all who like being active. The cooling and stimulating care with the power of arnica is also particularly suited to treat blunt injuries (bruises) - so that you recover quickly!

The organic arnica extract contained stimulates the metabolism and works regenerating. Menthol provides for a pleasant cooling and a fresh feeling. In combination with the special lacto-intensive active complex the skin is well cared for.
