

Ultra Extra Pads Regular

Manufacturer: Natracare

Order ID: N3201

Price: 3.79 €

Product description:

Absorbency for light or medium menstrual flow.

Natural and absorbent pads for medium or lighter periods, with an extra cushion layer and wings to secure the pad in place.

Ultra extra normal pads come individually wrapped so are easily carried around when you are out and about. Natracare pads are entirely plastic free and home compostable so can biodegrade naturally back into the Earth after use.

Gynaecologist recommended and suitable for sensitive skin or those with allergies. Natracare helps reduce your exposure to synthetic materials and ingredients, including plastic, perfume and dyes often found in conventional period products.

Ingredients:

Certified organic cotton, ecologically certified cellulose pulp, compostable plant-starch, non-toxic glue

Tips from Gabi Köberl:

Die Ultra Extra Damenbinde Normal ist für mittleren Periodenfluss geeignet.
